HISTORY OF "DINE FINE"

THERE'S FISH AND CHIPS, AND THEN THERE'S
FISH AND CHIPS!

- "DINE FINE" was established in 2001 in Palm Beach where they are now a well known and long established Fish and Chip Shop. We have Australian, Continental, Dutch and Kiwi flavour.
- We have developed a new approach to fish and chips, the popular 'Ready to Eat Meals'. We know the difference, that's why customers from all over the coast are flocking to Dine Fine Deli Takeaway.
- We provide the Gold Coast with world-class takeaway meals made from the freshest ingredients available. Char grilled fish, garlic, parmesan, cajun crumbed, steamed or in any of our famous beer batters. Along with a large selection of non-fishy alternatives to take home, you can also enjoy the Dine Fine's 40-seat alfresco dining area.
- Everything is cooked to order (a la minute). We are fast in a la carte but in peak time the wait is a bit longer but worth it!!
